BUTLER SQUARE

CHEERS TO A NEW YEAR!

MESSAGE FROM THE MANAGER

What a year at Butler Square! We completed some major construction projects on the exterior of the building in 2019; extending the longevity of our historic Butler Square Building. Thank you All for your cooperation during these extensive projects with the noise and smells that coincide with construction. We are looking forward to further improvements at the building in 2020, but these improvements will be made on the inside of the building; improvements all may experience and see. We also have welcomed new people to the management team and look forward to building our team service in 2020 with the addition of Tyhler Gallardo as the Property Administrator and Luther Wohlfeil as the Maintenance Technician. Thank you All for making Butler Square a great place to work! - ANGELA SAMARGIA

Minnesota Twins

AL Central Division Champs!

The Minnesota Twins ended the 2019 season with an AL Central Division championship title! This is their first title win since 2010! Thanks to the Twins successful bullpen and power hitting they were able to clench the division title! The Twins ended the season with 101 wins and 61 losses. Nelson Cruz and Eddie Rosario were the batting leaders of the season, but pitchers Jose Berrios and Jake Odorizzi really aided this season with strike outs and low ERA's! Although the Twins did not make it through the first round of playoffs, they are still staying upbeat and hope for an even better 2020 season!

Halloween at Butler Square!

Fall is always a great time at Butler Square, whether we are receiving some yummy caramel apples and chocolates, having a Halloween Costume Contest, handing out candy to trick or treaters, or seeing new changes at Butler Square! Here are some pictures of our winners from the Halloween Costume Contest, thank you everyone who came out! We had Morticia Adams, a Sharpie Highlighter, and a Viking (SKOL!!).

Cold Weather Tips

- * Drink warm beverages and eat high calorie foods
- * Carry extra socks, gloves, blankets, change of clothes
- * Run your ceiling fan on the lowest setting in a clockwise direction
- * Block drafts with a pool noodle, cut it in half and slide it under your door
- * Trick a locked thermostat- put ice near it so it adjusts to the ice rather than the room
- * Put thicker drapes or curtains on your windows
- * Start composting- the organic material produces a natural heat
- * Stuff coat pockets and boots with hand warmers
- * Make sure to check your hoods and tires to make sure no sleeping animals are in there
- * Always wear a warm hat- 40% of body heat escapes from the head
- * Dress in layers

Hello's and Goodbye's to Butler Square Staff!

Please join us in celebrating the wonderful Barb a happy retirement! Barb was at Butler Square for 17 years! Barb has a lot planned for retirement and it is well deserved!

Another wonderful celebration with our fantastic and hard-working electrician, Jon Lane! Jon has been at Butler Square for over 30 years! Look out, we may still be seeing Jon's face around!

In September, Butler Square welcomed a new Property Administrator! Tyhler graduated from the University of Wisconsin– Stout in 2018 with a degree in Real Estate Property Management! Tyhler had big shoes to fill with Barb leaving, and after a few weeks was able to make Butler Square a new home!

Tyhler enjoys playing rugby, exploring the cities, and spending time in Wisconsin!

Tyhler is also a notary, so if you are in need of one, please stop by the office. She is here for any assistance for our wonderful tenants!

Welcome to the team, Tyhler!
